## Reminders about Senior Sendoff

Last year was so much fun, and we hope to make it even better this year! The day includes games, entertainers, a BBQ, prizes, Kona Ice, pictures, and so much more. Mrs Pribyl needs parent volunteers (from all grade levels!) as well as donations for prizes. Cash donations are welcome and will be used to buy prizes. Or you can donate items--anything a new graduate needs or wants. Last year, we gave out over \$2000 in prizes--can we top that? Senior parents--volunteering allows you to spend the day with your child on their last day of high school!!(must volunteer to attend) We can't do it without lots of volunteers. Last year, over 40 parents showed up to help. Can we top that, too? Finally, if you are connected to any organization that may be willing to help sponsor the event with some donations, please let us know! Thank you!

## Things to Consider

Military Service Earns Big Education Benefits: For those of you who are still uncertain what to do next, maybe you should talk with the recruiters who visit the Cafeteria each week. They can explain how you can earn money for higher education while serving your country. Not only that, you get great training and a good income.

## Please Help

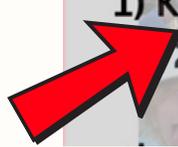

Please fill out your senior survey. This information will help me with your senior slides for graduation, honors night and where to next.

## Senior Countdown

Hang in there, Seniors.....you are so close!  
Only 33 school days left-  
You can do it!

Don't let "senioritis" get to you. Just because you are almost done is no reason to stop learning. After all, the only reason you are here is to learn as much as you can to prepare you for whatever you do later in life. So, make yourself, your teachers, and your parents happy by continuing to participate in your classes.
