## Customize the App to Meet Your Needs

Select your calendars

Calendar

The app allows families to select the calendar of events/sports for each school. When parents are logged in to the app, the calendar will default to the schools that your child or children attend.
To add additional calendars to your view, select the settings graphic.

To add a calendar item to your device calendar, click on "Add to device calendar".

### Personalize your settings

Settings

Once the app is downloaded, you can customize the app by clicking on the settings icon (very last icon). Here you can personalize the app to meet your needs.

Do you want to be notified of low grades, new grades or a change in a grade? Do you want to get an alert if a lunch account balance is below a certain amount? Total customization is possible. Set the app to meet your needs. You can even set your app to translate to over 50 languages.

Parents: Login to the "Student Grades/Info" icon for information specific to your child

Student Grades/Info includes information specific to your child(ren) enrolled in BPS, including grades, attendance, lunch account balance, and contact information.

Student Grades/Info

To view information, follow these steps:
1. Click on the "Student Grades/Info" icon.
2. Enter your username and password. This will be sent to parents/guardians via the email address on file.
3. Once logged in, parents will see the name of each child enrolled in BPS. Click on each child's icon to see information specific to them.
4. Parents can then view grades, attendance, lunch account balance and contact information for each child. Click on each category to see specific information pertaining to it.

Parent/Guardian Username and Password

To see detailed information about your child(ren), you must be logged into the "Student Grades/Info" section on the app.

Once the app is downloaded, "tap" on the "Student Grades/Info" icon. Parents will be asked to enter a username and password. Parents will only need one login and password to access the information for all of their students enrolled in BPS. This information will be sent to parents/guardians via the email address on file.
