

Drop off and Pick up

Please read through the following document regarding drop off and pick up for your child. We will be utilizing 3 different doors to help traffic students out. I am asking that you try to drop your child off as close to 7:55 as possible. This will help prevent potential behavior issues before school starts. **You will only be allowed to walk your child in the first couple of days for safety reasons.** Also, at dismissal please park if you want to meet your child, if not please stay in your car. **Be sure to use the crosswalks at all times!**

Siblings: At **arrival**, drop siblings off near the **YOUNGER** student's location. Older siblings will walk outside to their designated location. At **dismissal**, younger siblings will be dismissed and meet at the older siblings dismissal door.

The locations are:

Main entrance by main doors (upper lot with flag pole): This entrance will be for students in the **5th and 6th grade**. Grade levels will line up opposite of each on the designated line.

Main entrance (upper lot with flag pole against brick wall): This entrance will be for students in Mrs. Jarmin's **Kindergarten** class (KCJ).

Main entrance (upper lot with flag pole - picnic table area): This entrance will be for students in Mrs. Jensen's **Kindergarten** class (KBJ) .

South entrance (back of school by softball/baseball field): This entrance will be for students in the **3rd and 4th grade**. Students will line up on their designated line and stand on X's.

North entrance (lower parking lot by playground and Avery Road): This entrance will be for **1st and 2nd graders**. Students will line up on their designated line and stand on X's.
