

Bellevue Public Schools

Kindergarten Registration 2023-24

Bellevue Public Schools Kindergarten Registration opens Monday, February 27, 2023

All enrollments will be completed online at www.bellevuepublicschools.org.

Bellevue Public Schools offers full-day Kindergarten for all students. Nebraska state law requires a child to have reached their fifth birthday on or before July 31 of the current year.

Parents/guardians must provide original birth certificate, proof of residency (purchase agreement or lease/mortgage statement or tax receipt/statement AND utility bill), and current immunizations in order to register.

If you are not aware of your student's home attendance area school or for all other questions, please contact the BPS Enrollment Center at (402) 827-8554 or bps.enrollment@bpsne.net.

Kindergarten Roundup will be held at each individual school in late spring. Details will be provided following registration, you must register with BPS online prior to Roundup.

BPS offers an excellent summer school program, at no charge. For children entering Kindergarten, the program provides them the opportunity to become acquainted with their school. Details will be available at Kindergarten Roundup.
