The BPS Community News is a student/family focused newsletter that is distributed monthly during the school year to our students, families, and staff across the District. The BPS Community News is designed to provide families and students a one-stop shop for all youth sports, activities, and happenings in and around the community. All advertisements promote activities and programs that provide a benefit or service to the students and families of the Bellevue Public School District.

To better serve the needs of our families, the BPS Community News is online. The information is placed on the District website.
