

The Avery Way

Be SAFE
Be RESPECTFUL
Be RESPONSIBLE

We review and practice these expectations at the beginning of each quarter, and at times, daily. This is so students have clear expectations, therefore should be able to follow them with success. Paws, our school mascot has even made us videos to demonstrate and reinforce these behaviors!

You will see posters with our expectations posted throughout the building. To reinforce these rules, your child(ren) will earn "Tiger Praise Tickets".

Tiger Praise Tickets

Part of our plan is to reward students for following expectations in all areas of the school. In doing so, students can earn Tiger Praise Tickets.

PBIS Store

At least once a month, students may shop at the Avery store, with their tickets, or save them for the next month. There is a wide variety of items in the store.

Whole School Rewards

Each quarter, we celebrate how the students have followed the expectations all quarter long with a whole school reward. In the past, there have been bounce houses, extra recess, movie days, and more.

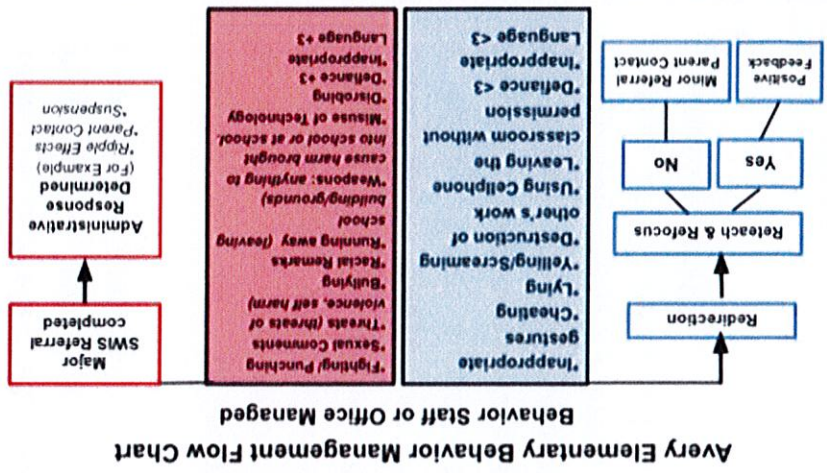

Classroom Rewards

In addition to an all school reward, each classroom has their own system of giving students rewards. One of these might be a **positive office referral**. This is where students come to the office to call parents and get praised for a job well done.

What are considered positive and negative behaviors?

Positive Behaviors may include:

- *Being Safe
Walking quietly in the hallway
Keeping hands and feet to self
Using self control
- *Being Respectful
Being kind to others
Following directions
Taking turns appropriately
- *Being Responsible
Using the restroom appropriately
Participating appropriately in class

Avery Elementary Behavior Management Flow Chart

What is PBIS?

PBIS is the system we use to teach our students the expectations we have in our building. It is a proactive approach to promote positive behavior. There are three overall expectations that we have our students follow: **Be Safe, Be Responsible, and Be Respectful.** Each of these are then reviewed and discussed for the various areas in our school (hallways, restrooms, before and after school, playground, lunchroom, and assembly expectations).

Attached is our "Expectations by Setting," for our school and the terminology we use with our students. Please review these expectations with your child at home. Parent support is an important piece to this process. We are always open to suggestions to help make Avery the best it can possibly be. Thank you for your continued support!

It's the

AVERY

Way!
