Discipline

Students who are sent to the office for disciplinary reasons may not be able to return to that class for the remainder of the session. If more than 50% of the session is missed, it will count as a day of absence. Excessive tardiness to class or excessive amount of time out of class may also result in a day of absence. Again, students are only allowed to miss 2 days of school. All school rules, as stated in the Parent-Student Handbook, will be enforced.

Communication With Parents

Electronic Communications: All communication during Summer School will be done via email. This includes, but is not limited to: progress reports, final grade reports, and disciplinary actions and attendance.

Attendance: Students may only miss 2 days of the summer school term in order to earn credit. An email noting the first day of absence will be sent to the email used when registering for the summer term. The second day missed will result in a phone call. Any day missed after the second day will result in the student being dropped from the class with no credit earned.

Reports: Hard copies of progress reports and final grade reports WILL NOT be printed unless requested in advance. Please notify Mrs. Cook in the Dean's Office at 402-293-4162 if a different mode of communication is needed.
