**Young Scholars Program:** Full Tuition – Available to candidates who can demonstrate financial need but who are not eligible for Pell Grants and first-generation college students. Students participate in a variety of activities such as weekly study sessions, various social and academic events, and service projects throughout the school year. Young Scholars have a support system at UNO that includes an Academic Mentor with whom they meet periodically throughout the year. **Information about the selection criteria and application process can be found here.**

**UNO Alumni Association Scholarship:** \$2,500 (Renewable) - Graduating high school seniors who have demonstrated leadership and involvement during high school. Requires a minimum ACT composite score of 24 and either rank in the top 25% of your class OR have a minimum cumulative GPA of 3.5 (on a 4.0 scale). Apply via the MavLINK.

**Gerbracht Scholarship:** Full Tuition - Awarded to a first-year student who is the child of a full-time UNO faculty or staff member. The full tuition scholarship is awarded on academic promise. To apply, please complete the UNO Scholarship application in MavLINK by March 1st of your senior year. The application process will require you to upload a letter from your parent verifying they are a UNO faculty or staff member. **Deadline March 1**

**G. Robert Muchemore UNO Scholarship:** up to \$6,000 per year - Awarded competitively to outstanding first-year students who are graduates of Nebraska high schools that demonstrate financial need. Typically, these are awarded to applicants with above average ACT/SAT scores that rank in the top 10% of their high school class. To apply, file the UNO Scholarship application in MavLINK by March 1st and filing a FAFSA form by the April 1st priority deadline.

**Walter Scott, Jr. Scholarship (Scott Scholars):** Several scholarship opportunities, including the prestigious Walter Scott, Jr. Scholarship, available for students attending UNL's College of Engineering (UNO, Scott Campus) and UNO's College of Information Science and Technology located in The Peter Kiewit Institute. For details, visit the Scott Scholars website. **EducationQuest Foundation:** This program funds scholarships for students with significant financial need. Recipients must never have defaulted on a student loan or currently owe a repayment on a grant. Applicants are considered for this award by applying for Admission via MavLINK by February 1 and filing a FAFSA form.

**The Goodrich Scholarship Program:** Tuition and Fees - Provides a college education for persons who otherwise could not afford it while offering them a broad and meaningful experience in general education. The program provides: financial aid toward a bachelor's degree, specialized curriculum emphasizing the humanities and the social sciences, and a comprehensive program of academic support, counseling and other related student services. Applications are available through the Goodrich Program Office. More information available here.

**Phillip Schragger Scholarship Program for Student Leaders:** up to \$15,000 per year - Students who possess outstanding leadership capability. Selection is based primarily on a student's involvement in high school activities and organizations. Documented financial need is required and scholastic achievement is an important qualification. Preference is given to students from the Omaha metro area. Please complete the UNO Scholarship application in MavLINK to apply by March 1. **Davis Scholarship:** This scholarship recognizes the most academically talented students from diverse backgrounds that have trouble meeting the financial requirements of a college education. Visit: <https://www.unomaha.edu/student-life/inclusion/multicultural-affairs/bridge-program-and-scholarships.php> for more information.

**Isaacson Incentive Scholarship:** \$1,000 (Renewable) - Recognizes students who have experience with diversity and are permanent residents of Omaha. To qualify, students must have earned a cumulative 3.0 GPA in high school.
